LB 1041

SENATOR GOODRICH: Could you repeat. One is a \$30,000 mural, is that it?

SENATOR WARNER: The \$30,000 contained in, as Senator Wesely was indicating, reflected a bill introduced last session but not acted upon which up to \$30,000 could be used for the development of the design. It is the competitive design for the murals in the Memorial Room on the 14th floor.

SENATOR GOODRICH: What was the other item now?

SENATOR WARNER: The other item is 220,000 which would bring the specifications for the renovation of the Capitol space, primarily legislative space and hearing rooms, together with the area that is being vacated by the data processing equipment and staff. It would be bringing all of those plans to specifications so there could be bids taken if and when appropriation for construction is approved.

SENATOR GOODRICH: That is the only two, right?

SENATOR WARNER: Yes, sir.

SENATOR GOODRICH: Thank you.

PRESIDENT: Senator Warner, would you like to close on your motion, please? No? The question is the adoption...let's see. The question is, shall that portion of LB 1041 become law notwithstanding the wishes of the Governor? All those in favor vote aye, opposed nay. Have you all voted? Have you all voted now? Record, please.

CLERK: 36 ayes, 0 nays, Mr. President, on the adoption of the motion as offered by the Appropriations Committee.

PRESIDENT: That portion of the bill is overridden.

CLERK: Mr. President, the next motion I have pertaining to LB 1041 is by Senator Weihsing. Senator Weihsing's motion is on page 2170, as well, Mr. President. It relates to public radio.

PRESIDENT: Senator Weihsing, please.

SENATOR WEIHSING: Mr. Speaker and members of the Legislature, I wish to yield to Senator Lynch.
